For More Thought:

1. How would you describe your own walk in Christ? A tree? Building? School? River?
2. If you were honest, what would be some "worldly philosophies" that you hold to?
3. If you really believed in the truths in Col. 2, how would this affect your life?
4. Write down a few things you can genuinely thank the Lord for and take time to do so each day this week.
