*Parents*, are you prepared to handle your children's questions about philosophy and the sciences in a biblically consistent way? We have 20 seats available for you in our latest discipleship elective class this fall – The Truth Project! The Truth Project is a 12-week DVD-based small group curriculum designed to build a systematic and comprehensive biblical worldview in the lives of believers. Each lesson looks at life from a biblical perspective, studying the very nature and character of God and how He has revealed Himself to us. This elective is offered on Sundays from 9:00am to 10:30am in the Campus Center from **September 12** through December 5. Please RSVP to [scott@valleychurch.org](mailto:scott@valleychurch.org) or call the Church Office at (408) 739-4642.

## Fall 2010 Discipleship Electives

---

### "The Gospel According to Luke"

**Begins: Sunday September 12, 2010**

**Time: 10:45 am – 12 noon**

**Place: Building 6 / Student Center**

Come and join us as we fellowship and study the account of the life of Christ as recorded for us by Luke. This wonderful account of our Lord will help us gain a deeper understanding of the life, the works, and the teachings of Christ. This is a 9-month study (Sept. through June) and our hope and prayer is that it will lead us to a closer walk with Jesus and give us clearer insight into His will for each of us.

We warmly welcome married couples and singles - young and old - anyone with a desire to learn more about Jesus, and to follow Him more closely.

Taught by Leong Tan. Call the church office at (408) 739-4642 for more details .
