Each quarter we are forming new Men's "Operation Timothy" Small Groups. Our aim will be as it says in Proverbs 27:17 "Iron sharpens iron, so one man sharpens another". These groups have a focus on discipleship, accountability, and community impact. Each group will be using a well-known discipleship series called "Operation Timothy" (OT). The OT workbook has devotional/homework chapters which we will discuss together during our meeting times.
